

Last years "Crows"

The Promotion Committee of the Pontotoc County Main Street Association is planning to celebrate our Fall season this year with an *Autumn Walking Trail* on Main Street in Pontotoc during October 10 though November 10. The Trail will be lined with Scarecrows made by organizations, teams, businesses, departments of companies, and clubs that want to participate in our Walk.

- ✓ A \$15.00 fee is needed to reserve your spot on the Trail.
- ✓ The Walk will be up for a month, so this is a time to advertise your group with a humorous message.
- ✓ Weather proof can be achieved by using plastic bags and materials that can withstand the elements.

The Date of the demo class is changed to Thursday September 29, 2011 @ 6:00 in the Chamber/Main Street Conference Room. Materials and registration will be given at this time. IF you can't attend the workshop please call and register at the Chamber/Main Street as soon as you can.

This is an opportunity for our communities to be involved in the spirit of a wonderful Fall season here in Pontotoc County. Be a part of this celebration and fun activity that will really show our spirit.

If you have any questions please let us know by calling the Chamber/ Main Street Association at 489-5042.

Sincerely,

Ellen Russell, PCMSA
